Agenda:

- Minor revision of the syllabus
 - Project/Internship discussion

 - A brief discussion on NEP for M.Sc program
 - Feedback from students
 - Any other matter
-
- The meeting commenced with a prayer service and the welcome address was delivered by DR. S N Raghavendra the head of department, Food Science.
 - Dr. S.N Raghavendra HOD of Food Science, welcomed the members.
 - Agenda of the meeting was displayed and discussed in detail about this.
 - Discussion on syllabus structure, and members suggested to separate the combined practical's paper into different papers and allot credits since practical paper is core subject for the course.
 - Members were asked to go through syllabus papers and give their suggestion.
 - Members suggested to give guidelines for project and discussed about the method of evaluation
 - Project and internship should be priority.
 - About NEP, suggestion for implementation was discussed. B. Sc level NEP is implemented and post graduate students the curriculum is not yet framed by UGC. Members suggested to implement PG diploma course, research area and give specialization with in depth knowledge
 - Students representative Rhea gave the opinion about the course. Students were happy with the course structure but few concern due to covid issues that they have missed few practicals and classes and also worried about the Placement. Members suggested to take remedial classes and highlight on terminology.
 - Members also suggested that students can develop products at household level and they can study about review of literature and develop the protocol and submit. Staff members can screen the output given by the students.
 - Members were informed to fill the feedback form and submit the same

➤ The meeting was concluded with vote of thanks from Ms. R. Rachitha

Date: 27-01-2022
