Conferred "College with "STAR STATUS" by DBT, Government of India.

FEEDBACK AND ACTION TAKEN REPORT

NAME OF THE DEPARTMENT : M Sc CHEMISTRY

Year : 2021-22

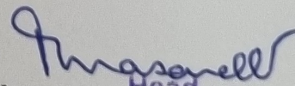

FEEDBACK

1. Feedback is taken for the student representatives, industry representative, alumnus of the department and subject experts.
2. Suggestions were given to increase the optional papers to give a wide variety of choices for the students
3. It was suggested to start a new programme M Sc Organic Chemistry as it has a greater demand by the industry and higher scope for the research
4. To increase the hands on training and to cultivate the research culture among the students it was suggested to incorporate the optional project was as a compulsory paper
5. It was suggested to integrate the training programme for competitive examinations along with the regular teaching

Year :2021-22

: Action taken Report

1. The department has developed a teaching plan for the integration of training programs for competitive examinations.
2. To improve the campus placements, a faculty member from the department was made as the coordinator for campus placement, with well-defined job roles.
3. More students were sent to industry for the summer internship programmes
