FEEDBACK ANALYSIS AND ACTION TAKEN REPORT MSC. BIG DATA ANALYTICS

2021-22 FEEDBACK ANALYSIS

- Feedbacks were collected from all the members of BOS i.e. Vice chancellor's Nominee, Industry representatives, Subject experts, Alumni, Faculties and Student representatives. Three were two representatives from Tata Consultancy Services (TCS).
- Relevance of the courses and mapping the contents of the courses with industrial needs were discussed.
- As the technology plays very important role and as there are lot of demand for the data analysts, there should be inclusion of some practical sessions to match industry needs.
- Working with the real time project during second semester was also suggested.

2021-22 Action Taken report

- Without modifying the basic syllabus structure, some of the topics were changed in the subjects such as Database Management System, Python programming.
- As the syllabus revision is due in the next year, major changes were not incorporated.
- To make student understand industry demands, some of the exercises on SPARK, Rapid miner and such other tools, were included in the subject Enabling technologies for Data Science.
