FEEDBACK AND ACTION TAKEN REPORT

NAME OF THE DEPARTMENT: PG Studies & Research in Food Science

Programme: Food Science Nutrition & Dietetics

Feedback

Year 2021-22

- Feedback from subject experts, allied industry, teachers, student representative and alumni were collected based on the curriculum and syllabus design.
- Students should attend MOOC Courses and it should be considered as credits.
- Curriculum developed should cater innovative and critical thinking in students.
- Changes in the duration of hospital internship was suggested.
- Practical based teaching-learning method was suggested. More employability-based course introduction was suggested.
- Holistic development of skills and knowledge which would lead to progression and make students ready for employability.

Action taken Report

Year 2021-22:

- Course syllabus was revised based on the feedback received.
- Importance was given to case studies and community nutrition which enhanced student's practical experience on the subject.
- Completion of one MOOC was compulsory in the second semester.
- Along with hospital internship students were encouraged to carry out project/dissertation work.
- Innovative teaching-learning pedagogy like peer-review learning, mentor-mentee system was adopted.
