FEEDBACK AND ACTION TAKEN REPORT

**NAME OF THE DEPARTMENT: Department of Post Graduate Studies and Research
in Biochemistry**

Programme: M.Sc Biochemistry

Feedback

Year 2021-22

Feedback is taken from student representatives, department alumnus, industry representatives, faculty members and subject experts. The following suggestions were made

1. Student feedback from students to be taken after every semester for the new syllabus prepared according to Outcome Based Education.
2. Conduct bridge course in the beginning of the semester to help students with challenging subjects.
3. Student research/ project work monitoring should be done to ensure the effectiveness of the work and students should be encouraged to publish their research work.
4. Introduce student centric teaching-learning method.
5. Emphasis should be given to training and talks focusing on employability/ entrepreneurship.

Action taken Report.

Year 2021-22:

1. Student feedback taken after every semester for the new syllabus prepared according to Outcome Based Education
2. Bridge course (30 hours) introduced in the first semester.
3. A format for effective monitoring of student research work was included in continuous assessment grading. Marks are earmarked in the paper PH 513.4P (Project) for publications.
4. As part of student centric teaching-learning method, workshop is planned in which students will be trained to be Resource persons.
5. Alumni interaction and guest talks by entrepreneurs conducted to promote employability and entrepreneurship.
