FEEDBACK AND ACTION TAKEN REPORT

Department of French

Year : 2020-21

Feedback Analysis

- Members suggested that the department brings out an annual newsletter in the digital form exclusively designed and prepared by students with the supervision of the French Faculty. The Newsletter should be a compendium of articles and creative write ups/poetry etc. It could also include a report of all the activities of the department with achievements of the staff and students with attractive pictures.
- It was suggested to have a serious discussion on the implications of implementing NEP-2020 and the impact of the language policy of the state and university on French. Members were requested to come prepared with ideas and critical comments regarding the issue.

Action taken:

- Members discussed the implications of the implementation of NEP-2020 on a foreign language like French. It was felt that there would be better response/demand for foreign languages under NEP. It was proposed to wait for the formal announcement by University regarding the language policy adopted under NEP.
- As suggested in the previous meeting, it was decided to bring out an annual digital Newsletter of the department that would include the creative articles, poetry, short stories, interviews, history of the department, record of all events with attractive pictures at the end of academic year 2021-22.
