St Aloysius college (Autonomous), Mangaluru
Dept. of Physics

BOS meeting held on 17-11-2021

Suggestions given: Student representative felt that topics on spherical polar coordinate system and delta functions are to be included in the syllabus for them to help in preparing the competitive examinations.

Action taken: For those students seriously involved in preparing for competitive examinations, separate coaching is arranged by old students passed out from the department. They discuss spherical polar coordinates and Delta functions before they take up higher level concepts
