

## Report of Math – Webinar Series

The Department of Mathematics for Undergraduate Studies organised a 3-day webinar series for the students of the college and especially the department from September 27<sup>th</sup> to 29<sup>th</sup>.

Ms Deepti NT, founder of Aura Theatre and Education Learning Space, was the resource person for the webinar titled “Math is everywhere” held on Monday, 27<sup>th</sup> of September. This webinar was organised to motivate students about Mathematics and there were 158 participants in total spread over two Google Meets.
