

## **Know how patenting-Workshop**

Research Cell and the Department of Biotechnology jointly organized One day workshop on 'Know How Patenting' on 13 April 2022 in collaboration with Patent Office, Chennai. Chief Guest of the Inaugural function Dr Anirban Chakraborty, Director, Nitte University Centre for Science Education and Research (NUCSER) in his inaugural address stressed the importance of Research-Publications and Patenting. Rev. Dr Praveen Marts SJ, Principal, St Aloysius College (Autonomous), Mangaluru presided over the function. The workshop was inaugurated by lighting the lamp. Mr Shreejesh P. C, HOD of Biotechnology, convener of the program welcomed the gathering. Dr Suresh Poojary, Dean, Research and Innovation St Aloysius College (Autonomous), Mangaluru proposed a vote of thanks. The workshop had three technical sessions. In the first session, Dr Anirban Chakraborty gave a lecture on the topic "CRISPR CAS-9 - The game-changer in gene editing", a topic on emerging tool in the area of biotechnology. The second technical session was delivered by Ms Lavanya Madduri, Examiner-Patents and Design India Patent Office, Chennai on the topic of Intellectual Property Rights and their protection in India. Dr Sharana Gouda, Assistant Controller Patent Office Chennai spoke during the third session on the topic Patenting Biotechnological Inventions. Students of BSc Biological sciences, Postgraduate students of all science departments participated in the workshop.
