Agenda 1:

Introduction to NEP

The chairman called for the ideas and suggestions for the preparation of ^{New} Implementation of New Education Policy.

The suggestions were as follows:

- a) Dr. Nithyananda Shetty gave an overview about multiple entry and exit programmes of UGC. Prof. Vichalakshi expressed that those students who quit midway of Bachelors programme may have to come back for B.Sc programme.
- b) Dr. Ronald Nazareth expressed the concerns regarding drafting new syllabus for upcoming BOS with respect to NEP
- c) Dr. Nithyananda Shetty suggested that new system will have similar syllabus with modified titles.

Resolution:

The board decided to plan for ^{TV} year syllabus implementation and framework. It was resolved to wait for the guidelines from M'lor University in order to plan for syllabus review. Meanwhile the dept could consult IIT or NIT for syllabus.

Agenda 2:

Review of the syllabus

The chairman introduced the existing syllabus to board members and

Said that the changes suggested in previous BOS were incorporated especially for I and II semester open elective, hard & soft core paper credits for both years and gave a call to review the syllabus.

Resolution:

The papers were reviewed carefully and approved with no corrections.

Agenda 3:

Evaluation of earlier semester question papers.

The chairman presented the question papers of all the courses of H.Sc Analytical Chemistry of end semester question papers.

The members expressed their satisfaction on the quality of questions asked. Dr Nithyananda Chetty gave a call a call to instruct the paper setter to frame questions by covering whole syllabus to maintain the quality and reduce the number of choices made as much as possible.

Resolution: It was resolved to authorize to give similar instructions to examiners.
