Agenda 1: Introduction to NEP

The Chairman called for the ideas and suggestions of the preparation of New Implementation of New Education Policy. The suggestions were as follows:

- a) Dr Nithyananda Shetty gave an overview about multiple entry and exit programme of UGC. Prof. Vishalakshi expressed that those students who quit midway of Bachelor programme may have to come back for B.Sc programme.
- b) Dr Ronel Nazareth expressed the concerns regarding drafting new syllabus for upcoming BOS with respect to NEP.
- c) Dr Nithyananda Shetty suggested that new system will have similar syllabus with modified titles.

Resolution:

The board decided to plan for IV year syllabus implementation and framework. It was resolved to wait for the guidelines from Mangalore University in order to plan for syllabus review. Meanwhile the department could consult IIT or NIT for syllabus.

Agenda 2:

Review of the Syllabus:

The chairman introduced the existing syllabus to board members and said that the changes suggested in the previous BOS were incorporated especially for II and III semester open elective, hard & soft core papers with paper credits for both years and gave a call to review the syllabus.

Resolution:

The papers were reviewed carefully and approved with no corrections.

Agenda 3:

Evaluation of earlier semester question papers.

The chairman presented the question papers of all the courses of M.Sc Analytical Chemistry of end semester question papers.

The members expressed their satisfaction on the quality of questions asked. Dr. Nitheyananda Shetty gave a call to instruct the paper setter to cover the syllabus completely & maintain the quality and reduce the number of choices as much as possible.

Resolution: It was resolved to authorize the
