CERTIFICATE

Mr. Ajay D'Souza., the student of Dept. of Chemistry, St. Aloysius College (Autonomous) Mangalore completed his project work entitled as "Valorization of glycerol by converting to acetins via transesterification using solid base catalyst" as a partial fulfillment of the requirement for the award of M.Sc. under the supervision of Dr. Ganapati V. Shanbhag from July 25, 2022 to September 25, 2022 (2 months) in Poornaprajna Institute of Scientific Research, Bengaluru. This research work was entirely carried out at PPISR and it is an intellectual property of PPISR. During this period, he learnt solid catalysts preparation, their characterization by different analytical techniques. He also learnt to conduct catalytic reactions in batch mode and product analysis by gas chromatograph. His work and conduct were found to be satisfactory. We wish him all the best in his future endeavor.

Date: 6-6-2023

Place: Bengaluru
