SUB: INTERNSHIP COMPLETION LETTER

We are glad to inform you that Ms. Swathi M from St. Aloysius College Mangalore, has successfully completed her internship at Centre for Nano and Material Sciences (CNMS), Jain University from 25th July to 9th September 2022.

During her internship, she was exposed to various scientific activities in experimental design and critical data analysis.

We found her extremely inquisitive and hardworking, she was very much interested to learn the functions of our core research and also willing to put her efforts and get in to the depth of this subject to understand it better.

Her association with us was very fruitful and we wish her all the best in her future endeavors.

Yours,
