

NUMENTRIX CONSULTING

Date : 24.07.2023

CERTIFICATE OF INTERNSHIP

This is to certify that **Mr. Flami Dcosta**, bearing Regno **211903** of Aloysius Institute of Management and Information Technology (AIMIT), has successfully completed the internship on the project titled "**Smart Dashboard for Reliability Analysis**" at **Numentrix Consulting**, from 24th April 2023 to 21st July 2023.

During this period, Flami worked on web application development using the Flask framework. He developed a web application dashboard that facilitates equipment monitoring and management.

We found **Flami** to be hardworking, sincere and displayed good conduct.

Sincerely,
Dr. Praveen MP
Director
Numentrix Consulting Bangalore.
