FEEDBACK AND ACTION TAKEN REPORT

NAME OF THE DEPARTMENT: PG Studies & Research in Food Science

Programme: Food Science & Technology

Feedback

Year 2022-23

- Feedback from subject experts, allied industry, teachers, student representative and alumni were collected based on the curriculum and syllabus design.
- Changes in the project/internship policy was suggested by the stakeholders.
- Eligibility criteria for admissions was carried out.
- Curriculum developed should cater innovative and critical thinking in students.
- Practical based teaching-learning method was suggested. More employability-based course introduction was suggested.
- Holistic development of skills and knowledge which would lead to progression and make students ready for employability.

Action taken Report

Year 2022-23:

- Course syllabus was revised based on the feedback received.
- Project/Internship policies were revised and students were encouraged to carry to project in the college laboratories.
- Importance was given to practical classes which enhanced student's hands on experience on the subject.
- Innovative teaching-learning pedagogy like peer-review learning, mentor-mentee system was adopted.
