Feedback Analysis and Action Taken Report of BOS

Name of the Department: Department of Post Graduate Studies and Research in

Biochemistry

Year: 2022-23

Feed Back Analysis

Feedback is taken from Subject experts, teachers, student representatives, department alumnus, and industry representative. The following suggestions were made.

1. Encourage the students to present their M.Sc dissertations in the form of Poster/ Paper presentations in National/ International Conferences
2. Have regular alumni interactions to expose the students to the job opportunities and higher studies.
3. Encourage students to read literature and visit library.

Action Taken Report

1. A comprehensive list of relevant National and International Conferences was compiled, and students were guided on suitable conferences based on their research domains. Students presented their research work in the conferences and some students won best paper award.
2. Organized regular webinars where alumni shared their experiences, insights, and provided guidance on career paths and opportunities for further studies.
3. Integrated dedicated library hours into the standard timetable. Librarians offered guidance on optimizing literature search and retrieval techniques during these sessions.
