Department of Psychology

2022-23

Feed Back Analysis

The feedback collected from the members of Board of studies, Industrial Experts, students and from the alumni during their visits to the department. The obtained feedback denotes the following:

- The curriculum is updated, relevant and challenging.
- The reference materials are relevant, updated, and appropriate.
- The curriculum fosters holistic development of students through participation in curricular and co-curricular activities.
- The curriculum imparts knowledge and skills towards academic progression and employability.
- Curriculum fosters innovative and critical thinking and promotes skillfulness among the students.
- The Curriculum prepares the students for life skills.

Action Taken Report

- The three experiments are added in the third semester as decided in the BOS
