Feedback Analysis and Action Taken Report of BOS

Name of the Department: Commerce

Year: 2022-23

Feed Back Analysis

- Integration of Business Intelligence and Analytical tools with ERP would give more advancement into education.
- Care must be taken not to have overlapping of contents in the courses, especially courses of specialization or electives.
- More focus should be given on E-Commerce and start up techniques for IV/V/VI semesters.
- Most of the BOS members strongly agreed that curriculum is updated, the reference materials are relevant, the curriculum caters to the needs of local/national/global, curriculum imparts knowledge, fosters innovative and critical thinking. The curriculum also prepares the students for life skills.

Action Taken Report

- The suggestions given to incorporate the analytical tools are incorporated in the subject titled Power Bi.
- The subjects having overlapping contents were identified and changes were made.
- The concept of E-Commerce and Start up techniques are dealt in the subject Entrepreneurial Skills and Financial Education and Investment Awareness.
