

## INTERNSHIP

**International Internship:** 4 BVoc Animation students got selected for 3 months International Internship in 3DI Animation Company, Kathmandu, Nepal. The names of the students are Ryan, Sathwik, Chitrashree & Ankith

### Summer Research Fellowship Programme for Students 2023:

Ms Keerthana C. of II B.Sc. is selected for the Prestigious Science Academies' Summer Research Fellowship Programme for Students 2023 in CHEMISTRY.

She will be working for her project on 'Supramolecular Chemistry' under the guidance of Prof. Jyotirmayee Mohanty at Bhabha Atomic Research Centre (BARC), Mumbai.

A Discussion on Internship/training experience was held on 12.9.2022. Second-year students were asked to share their internship experiences as part of a BIONEX Association activity. Students discussed their experiences and the knowledge they gained through industrial training. This provided the batch with a good understanding of the working environment in the industry. Furthermore, the students were asked to plan their year's activities through group discussions. 50 students took part in this activity.
