**NOTE 1** Student in-charge is required to arrange the set-up and be ready to start the film at exactly 2:00 pm. Please start arranging 10 mins early to get the set-up ready by 2:00 pm.

**NOTE 2** Student in-charge please check your film in the folder (E:/Films) to see if there are subtitles well in advance (a day prior to screening at least). If subtitles are not available, inform the staff in-charge.

#### Student in-charge duties on that day.

- 12:00 pm. Check if the computer/LCD in 305 is available and is in working condition. If not, inform the staff in-charge who will advise on alternate arrangements.
- 1:50 pm. Switch on the Power switches, UPS, Computer, LCD.
- Connect the speakers and do a sound check to see if sound is playing.
- Open E:/Films folder on the computer and find the film for the day.
- Open the film file and activate the subtitle tracks, pause at the first frame after checking if film/subtitles are playing.
- 2:00 pm. Inform the staff in-charge if everything is ready.

**Note:** At any point of the above you encounter any issues bring it to the notice of the staff in-charge.
