## ABOUT THE COLLEGE

St Aloysius College is a 142 year old premier Jesuit institution located in the heart of Mangaluru. The college was conferred with autonomous status in the year 2007. It has also been re-accredited for the third cycle by NAAC with A Grade (CGPA 3.62) and recognized by UGC as a "College with Potential for Excellence". The college has been upgraded to "Star Status" by the Department of Biotechnology, New Delhi. The college, along with UG and PG courses also offers Ph.D. and post doctoral programmes. Currently, over 6,000 students pursue their studies in the campus.

## ABOUT THE DEPARTMENT

The Department of PG Studies & Research in Commerce was established in the year 2008 as a pioneer of education in Commerce in Dakshina Kannada. Currently, the department is offering two specialised programmes M.Com & M.Com (Finance & Analytics) under the CBCS curriculum. It encourages students to develop independent thinking, explore ideas, sharpen their analytical skills and expand their horizon. It organizes co-curricular and extra-curricular activities through student associations and clubs. The department can take pride in the fact that it has produced eminent scholars, industrialists, leaders and above all good human beings to the society.

## ABOUT THE SEMINAR

Entrepreneurship has become the need of the hour for the growing Indian economy. It is vital for driving innovation, creating employment, and promoting social change. It also results in creating incremental wealth and promoting sustainable development of the nation. Therefore, it is crucial to engage the next generation and provide them with tools to succeed as an entrepreneur and be an agent of social change. This seminar provides a forum to explore the opportunities and challenges in the field of entrepreneurship in general, social entrepreneurship, and entrepreneurship in the field of commerce. The main focus is to inspire the student community to unleash the potential of entrepreneurship in their young minds to develop a vibrant entrepreneurial ecosystem and contribute to the vision of making India, a \$5 trillion economy.

## PARTICIPATION

The seminar is open to academicians, researchers and students from the disciplines of commerce and management and the general public.
