Field work experience certificate.

This is to certify that **Mr. Mathew Paulose** a student from **St. Aloysius College, Manglore**, underwent 15 days of field work experience programme at **Vachana Jyothi De- addiction Centre Pilathara, Kannur Dt. Kerala. (22nd July to 8th August 2022)**

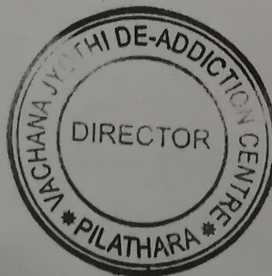

As a social work trainee Mr. Mathew Paulose exhibited his academic competence and professional approach towards our clients and the task entrusted to him. In accordance with your college requirements he was given opportunities to develop knowledge, attitude and skills for intervention at the levels of individuals, who are substance abusers.

During the period as a social work trainee he was involved in:-

- *Psycho social assessment of the clients along with our staff.
- *Discussed intervention strategies for clients with our staff.
- * Attended awareness lectures and group activities.
- * Conducted group activities and Psycho social education lectures.
- *Acquired information about the functioning of a De- addiction centre.
- * Attended AA and AI –anon meetings.
- *Sufficient information about treatment intake file, medical file and counseling file.
- *He was punctual, well behaved and kept professionalism to the duties assigned to him.

As a field work trainee he was found to be sincere, dedicated and hard working. We wish him the very best in his future academic endowers.
