Pontifícia Universidade Católica de São Paulo

objective of setting out a cooperative work between both institutions on teaching and research and other academic activities, including activities related to all fields of academic interests of both institutions, pursuant the following clauses and conditions:

CLAUSE ONE - OBJECT

PUC-SP and SAC agree to promote cooperation in the areas of common interest, by the following activities:

1. Joint research projects
2. Organization of events and symposiums
3. Exchange of information and academic publications
4. Exchange of faculty members and researchers
5. Exchange of students
6. Other activities of mutual interest

CLAUSE TWO - COOPERATION FORMS

Each cooperation program developed upon this General Agreement shall be executed under a Specific Agreement which shall detail the involved areas and the objective of the program, and the conditions and modalities of its execution.

CLAUSE THREE-FINANCING

The present agreement is a statement of intents and it does not bring any financial obligations to any of the participant institutions.

CLAUSE FOUR-DATA PROTECTION

The information which is shared by the parties under the development of this Agreement or its Specific Agreements will be confidential, unless the parties agree explicit and formally with the inverse.

The parties agree to keep the strictest confidentiality concerning the information, data and documents which they have access upon this Agreement or Specific Agreements linked to it, and cannot use them in different ways of those established herein, and

state, by express way, that will observe the fulfillment of the rule of personal data protection applicable to each case. Pursuant this Agreement, the access to personal data neither its treatment nor transference to a third party non-authorized by law will not be allowed.

In relation to the legitimate treatment of data needed to the development of the actions which are carrying out upon this Agreement and its Specific Agreements, once is needed, the parties agree to respect the rule of personal data protection applicable to each case and to adopt the security measures, as to keep its strict confidentiality.

CLAUSE FIVE – INTELLECTUAL PROPERTY

The intellectual property of the activities produced/done upon the present Agreement will be defined by the Specific Agreements, when it is the case.

CLAUSE SIX- DURATION

This Agreement will remain in force for 05 (five) years, from the date of its signature. An eventual extension of the duration of this present Agreement and/or any amendment in its clauses will be possible solely upon the establishment of an Addendum, duly signed by the legal representatives of both parties involved.

Sole paragraph – The party that does not have any interest to extend the duration of this Agreement shall inform the other party, by written notice, in advance of 06 (six) months, without prejudice the activities that are in progress.

CLAUSE SEVEN - COMPLIANCE POLICIES AND PRACTICES

In order to comply with this instrument, the parties may not offer, give or undertake to give to anyone, or accept or undertake to accept from whomsoever, both for their own account and through others, any material or financial advantage or benefit of any kind.
