

## **M.Com Competitive Examination Training Programme**

As the Motto of our Institution goes Lucet et Ardet which means 'Shine to Enkindle'. We the vibrant M.COM family of St Aloysius College provide many opportunities to the students to exhibit their skills, talents, gain knowledge through seminars, webinars, guest lectures, SACMAC activities etc., so that they can build their career effectively. Peer group learning is one among such opportunities offered by the M.Com Department which helps the students to face the competitive exams like NET, KSET and other competitive examinations. We empower men and women with knowledge and creativity and hearts burning with genuine love and concern for others.

**“Tell me and I forget, teach me and I remember, involve me and I learn.”**

The first session was conducted by team-3 on the topic mathematical reasoning and aptitude. The topic was divided among 3 students of the team- Ms Edna Aurelia Justina Menezes, Ms Phionna Olympia D'Souza and Mr Suhas Krishna B.

Edna explained about deductive reasoning, inductive reasoning and abductive reasoning. Phionna explained about coding and decoding. Suhas explained about questions relating to blood relationship, directions and analogy.

At the end of the session a small quiz was conducted relating to the concepts which were discussed above.

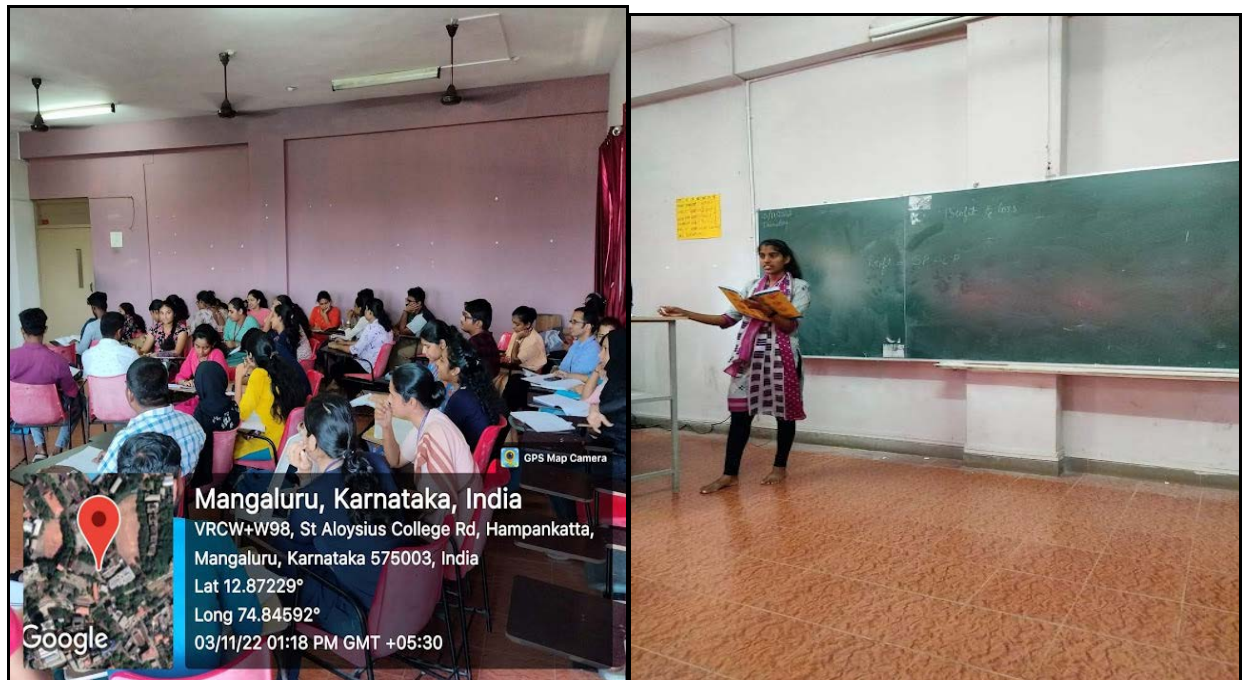

### TEAM NO:3

Name	Topic
Ms Edna Aurelia Justina Menezes	Deductive, inductive and abductive reasoning
Ms Phionna Olympia D'souza	Coding and decoding
Mr Suhas Krishna B	Blood relationship and analogy

**Date: 03/11/2022**

**“Wisdom..... comes not from age, but from education and learning.”**

The second session was conducted by team III on the remaining aspects of **mathematical reasoning and aptitude**. The topic was discussed by the other students of the group - Mr Suhas Krishna B, Ms Jesvica Divya Lobo and Ms Nithya Fernandes.

Suhas explained about fractions, time and distance, simple and compound interest and calendar sums. Jesvica explained about the Venn diagram. Nithya explained about profit and loss statement sums. At the end of the session a small quiz was conducted relating to the concepts which were discussed above.

**TEAM NO:3**

Name	Topic
Mr Suhas Krishna B	Fractions, time and distance, simple and compound interest and calendar sums
Ms Jesvica Divya Lobo	Venn Diagram
Ms Nithya Fernandes	Profit and loss Statement sums

**Date: 02/02/2023**

**“Always walk through life as if you have something new to learn and you will.”**

The third session was conducted by team II on the topic People development and environment. The topic was divided among 4 students of the team- Ms Pavithra Prakash, Ms Delisha Dsouza, Ms Daphney Marita Sequeira and Ms Prathiksha S.

Pavithra explained about the Population, Ecology, Ecosystem, Ecotone, Ecological pyramids and causes of climate change. Delisha explained about the energy resource, types of environment, concept of human development, human interaction and effect of transportation. Daphney explained about the pollution and its types, effects and causes. She also discussed about the NAPCC (National Action Plan On Climate Change). Prathiksha explained about the environmental concerns of the developed and developing countries- its issues, government initiatives to control air pollution, environmental protection act 1986.

At the end of session a quiz was conducted relating to the concepts which were discussed above.

#### TEAM NO:2

Name	Topic
Ms Pavithra Prakash	Population, ecology, ecosystem, ecotone, ecological pyramids and causes of climate change.
Ms Delisha Dsouza	energy resource, types of environment, concept

	of human development, human interaction and effect of transportation.
Ms Daphney Marita Sequeira	Pollution and its types- effects and causes and NAPCC (National Action Plan On Climate Change)
Ms Prathiksha S	Environmental concerns of the developed and developing countries- its issues, government initiatives to control air pollution, environmental protection act 1986.

**Date : 09/03/2023**

**“Develop a passion for learning. If you do you will never cease to grow.”**

The fourth session was conducted by team 6 on the topic logical reasoning. The topic was divided among 3 students of the team- Mr Sumukh K , Ms Pavithra Prakash, and Mr Vishwas Joy Misquith.

Sumukh explained about the Venn diagram, Syllogism and Proposition. Pavithra explained about the assertion and reasoning: statement & argument, statement & conclusion, statement & assumption and statement & course of action. Vishwas explained about analogies : number analogy, letter analogy and Indian logic.

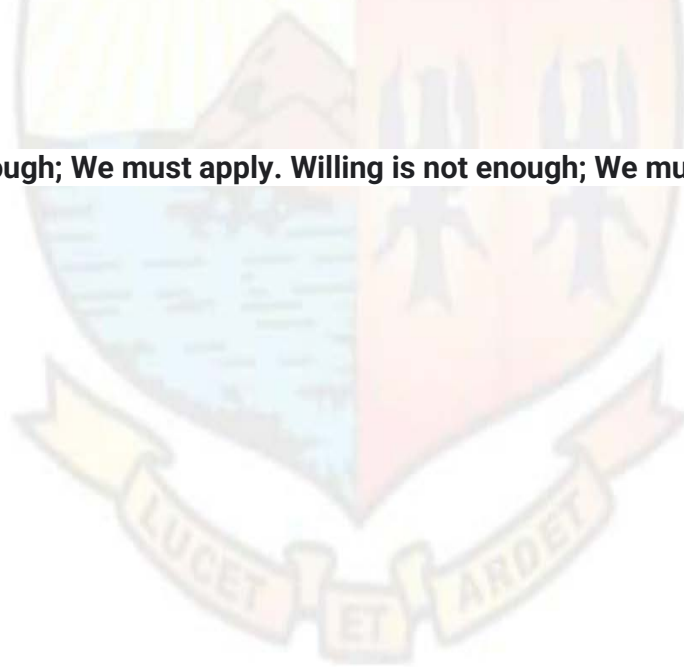

At the end of session a quiz was conducted relating to the concepts which were discussed above.

**TEAM NO: 6**

Name	Topic
Mr Sumukh K	Venn diagram, Syllogism and Proposition
Ms Pavithra Prakash	assertion and reasoning: statement & argument, statement & conclusion, statement & assumption and statement & course of action
Mr Vishwas Joy Misquith	analogies : number analogy, letter analogy and Indian logic.

**Date: 23/03/2023**

**'Knowing is not enough; We must apply. Willing is not enough; We must do.'**

The fifth session was conducted by team 5 on the topic communication and information technology. The topic was divided among 6 students of the team - Ms Evita Sandria Dsouza, Ronita Robert Fernandes, Ms Reeshal Presitha Pinto, Rathan Dsouza, Chandrika G, Roshni Preetha Dsouza.

Evita explained about the Concept of Communication - Characteristics, types. Ronita explained about effective communication - functions, objectives and 7C's of communication. Reeshal explained about the barriers to communication and how to overcome the barriers of communication. Rathan explained about the Acronyms and terminologies used in the ICT. Chandrika explained about the internet, intranet, email, audio and video conferencing. Roshni explained about the digital initiatives in higher education.

At the end of session a quiz was conducted relating to the concepts which were discussed above.

#### TEAM NO: 5

Name	Topic
Ms Evita Sandria Dsouza	Communication- - Characteristics and types

Ms Ronita Robert Fernandes	Effective communication - functions, objectives and 7C's of communication
Ms Reeshal Presitha Pinto	barriers to communication and how to overcome the barriers of communication.
Mr Rathan Dsouza	Acronyms and terminologies used in the ICT
Chandrika G	Internet, Intranet, Email, Audio and Video Conferencing
Roshni Preetha Dsouza	Digital initiatives in higher education
