Minutes of Academic Advisory Meeting read by Mrs Sharolin Meneses HOD of Retail and Logistics Management and course structure with syllabus presented before the Members for suggestion and approval by the Dean to the Expert Advisors

SOFTWARE DEVELOPMENT

ACTION TAKEN

According to the advices given by the advisory board the following changes has been done:

- > Under Semester II, Web Designing 2 topics were removed.
- > Under Semester I, Information Technology Tools sub Unit topics are modified.
- > Under Semester II, Relational Database Management System, one sub Unit were removed under Unit IV.
- > Under Semester II, Unit IV of Relational Database Management System, PLSQL topic has been removed.

Renewable Energy Management

During the meeting it was suggested to implement shift system to accommodate the different courses of B.VOC. The discussion then shifted to challenges related to the curriculum and fees. It was acknowledged that lower fees and reduced emphasis on certain topics are contributing to ongoing issues.

Dr. Yashodhara suggested simplifying the syllabus by avoiding complex derivations and instead of providing straight forward answers or final formulas to ease student comprehension.

Mr. Chethan Shettigar inquired about relevance of certain topics and Mr. Yashodhara confirmed it and told it is well suited for students both from Science and non science background.

The BOS Meeting concluded with Mr. Chethan Shettigar thanking all the Participants.
