I am pleased to present my recommendation of PLACID NEVILLE FERNANDES worked under my Direction at Maria Construction During his internship period (19<sup>th</sup> September 2023 to 19<sup>th</sup> October2023). He is a quick learner and has shown immense growth in his work. During all these respective projects,PLACID NEVILLE FERNANDES has worked directly with me and our client through the design process from pre-design queues to bidding and negotiation of our construction documents and modular Fixtures and also equipment and hardware purchases, Final quality inspection etc. I am extremely impressed with PLACID NEVILLE FERNANDES growth, his desire to learn and go the extra mile to complete assignments.
