Field work experience certificate.

This is to certify that **MEGHA KRISHNA**, a student from **St. Aloysius College, Mangaluru**, underwent 15 days of field work experience programme at **Vachana Jyothi De-addiction Centre Pilathara, Kannur Dt. Kerala. (24th May to 11th June 2024)**

As a social work trainee **MEGHA KRISHNA** exhibited her academic competence and professional approach towards our clients and the task entrusted to her. In accordance with your college requirements she was given opportunities to develop knowledge, attitude and skills for intervention at the levels of individuals, who are substance abusers.

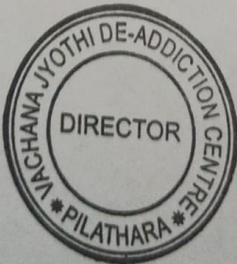

During the period as a social work trainee she was involved in:-

- *Psycho social assessment of the clients along with our staff.
- *Discussed intervention strategies for clients with our staff.
- * Attended awareness lectures and group activities.
- *Acquired information about the functioning of a De-addiction centre.
- *Sufficient information about treatment intake file, medical file and counseling file.
- *She was punctual, well behaved and kept professionalism to the duties assigned to her.

As a field work trainee she was found to be sincere, dedicated and hard working. We wish her the very best in her future academic endowers.
