Feedback Analysis and Action Taken Report of BOS

Name of the Department: Department of MSc(Software Technology)

Year: 2023-24

Feed Back Analysis

1. A suggestion was given to include skill development courses

2. Communication skills to be improved along with aptitude skills

3. To separate out Machine learning and Deep Learning in the curriculum

4. To have alumni interaction

5. To replace Web Design with PHP and MySQL with React, Angular and Node.JS(MERN Stack)

6. A new open elective was asked to be kept launched for non computer science students

Action Taken Report

1. The syllabus is restructured and many new subjects relevant to the Industry and helpful in getting an entry level IT job are introduced
2. It is decided to have Soft skills class on a regular basis during the class hours itself
3. The new curriculum has Machine learning in second semester and Deep learning in the third semester
4. An Alumni Interaction series has been initiated and will be held in the month of March 2025
5. The new syllabus has React, Angular and Node.JS(MERN Stack) in first semester
6. A new open elective titled Introduction to Java Programming and Databases has been introduced in the second semester for the non computer science PG courses.
