FEEDBACK AND ACTION TAKEN REPORT

Department French

Year : 2022-23

Feedback Analysis

Members suggested that the department brings out an annual fest and a e newsletter by students with the supervision of the French Faculty. The Newsletter should be a compendium of articles and creative write ups/poetry etc. It could also include a report of all the activities of the department with achievements of the staff and students with attractive pictures.

It was suggested to have a serious discussion on the implications of implementing NEP-2020 and the impact of the language policy of the state and university on French. Members were requested to come prepared with ideas and critical comments regarding the issue.

Action taken:

Members discussed the implications of the implementation of NEP-2020 on a foreign language like French. It was felt that there would be better response/demand for foreign languages under NEP.

As suggested in the previous meeting, it was decided to celebrate a day dedicated to French culture and traditions.
