Feedback Analysis of 2023 – 2024

Feedback on the curriculum was gathered from a diverse group of stakeholders, including teachers, alumni, students, and employees. The feedback form evaluated various aspects such as the curriculum's relevance and reference materials, its alignment with local, national, regional, and global needs, and its focus on innovation, life skills, and employability. Stakeholders provided their responses on a five-point scale ranging from strongly agree to strongly disagree. This feedback was collected at the departmental level, and a consolidated report is presented below.

1. The curriculum is updated and relevant

The feedback is analyzed at the departmental level, with guidance provided by a college-appointed committee to help departments implement stakeholder suggestions. The proposed changes are presented to the respective departments' Board of Studies and subsequently submitted to the college's Academic Council for approval.
