### A Quiz Competition exclusive for final year B.COM and BBA Students

The Department of Postgraduate Studies and Research in Commerce (M.Com) at St. Aloysius College organized *Mashtthishka Season 2*, an engaging and intellectually stimulating quiz competition, exclusively for final-year B.Com and BBA students. The primary objectives of this event were to inspire students to seek knowledge, enhance their intellectual and creative capacities, improve mental agility, and instil a sense of healthy competition and teamwork among them. The event was conducted in three phases: the Preliminary Round on 30th January 2024, the Pre-Final Round on 16th April 2024, and the Grand Finale on 30th April 2024.

The Preliminary Round witnessed overwhelming participation from students across the final-year B. Com and BBA programs. Following a competitive screening process, students representing 12 B.COM and BBA classes advanced to the Pre-Final Round. This round was held in the Maffei Block classrooms (Rooms 401, 407, and 409), where six teams from each class competed. From this intense round, the top eight teams advanced to the Grand Finale, marking the culmination of the competition.

The Grand Finale, held on 30th April 2024, showcased a battle of intellect as the best teams vied for the title. Gavin Alvares and D. Anvesh Gogate from BBA B emerged as the champions of *Mashtthishka Season 2*, demonstrating outstanding knowledge, composure, and teamwork under pressure. The event was orchestrated under the guidance of Mr. Maammad Thauseef P, the staff coordinator and Quiz Master for the competition. Mr. Thauseef meticulously crafted the quiz to challenge participants while keeping the audience engaged. He was ably supported by the student coordinators, Mr. Aditya Ajay and Ms. Anushree K.T., who ensured the seamless execution of the event across all stages.

The quiz not only broadened students' academic horizons but also provided a platform for collaborative learning and peer interaction. Participants demonstrated enhanced problem-solving skills, critical thinking, and the ability to perform under time constraints, all of which are essential traits for their future academic and professional endeavors. The event also fostered a culture of intellectual curiosity and provided the audience an opportunity to learn and cheer for their peers.

*Mashtthishka Season 2* was not just a competition but a celebration of knowledge and teamwork. It reflected the department's commitment to holistic education by promoting activities that go beyond the classroom. The event's success was evident in the enthusiastic participation and positive feedback received from students and faculty alike. This initiative has set a benchmark for future events and continues to contribute to the college's vision of nurturing well-rounded individuals equipped for the challenges of the modern world.
