

## BBA- Stock Simulation 24

The Stock Simulation 24' event was hosted by the Department of Business Administration at the Arrupe Block on March 25-27, 2024. With the guidance of staff coordinators Ms. Preema Tauro and Ms. Nayanashree Saliyan, as well as student coordinators Conroy Rodrigues, Hemanth Nayak, and Yaseen Misbah and team, the event drew the participation of around 250 students. Engaging in simulated stock trading scenarios, participants gained invaluable insights into market dynamics and investment strategies, refining their decisionmaking skills and financial acumen in the process.
